SERENDIPITY LABS

DALLAS, TEXAS

Serendipity Labs is an upscale office space that includes coworking spaces, team rooms, private offices, short-term swing space, dedicated desks and hosts meetings and events.

WLS worked with Serendipity Labs and Gensler to develop the national specification for lighting and controls that met the design intent as well as budget.

WLS provided all lighting and controls for the Dallas Hall Arts location, including General, Decorative, and Specialty Lighting.
