

LED UPGRADE

ARBORS ON PRESTON

DALLAS, TX

OVERVIEW

The Arbors on Preston Road is situated in the midst of one of the most affluent neighborhoods in the Dallas area. The center offers specialty restaurants and services in an outstanding open-air center and a beautiful lake setting. This close to 225,000 square foot facility is positioned along one of the most prominent retail corridors in Texas. The center is managed by the Fritz Duda Company, a real estate investment building and development organization based in Dallas, Texas.

In 2018, The Arbors on Preston was officially due for a upgrade to LED lighting. WLS stepped in to create a value engineered lighting site plan and proposal for all new LED site, wall pack, and decorative lighting.
