

LED UPGRADE

FAIRGROUNDS PLAZA

MOUNT HOLLY, NJ

OVERVIEW

Fairgrounds Plaza is anchored by the national stores ACME and Staples. In 2020, Fairgrounds Plaza shopping center was due for an upgrade to LED lighting. The client's goal was to increase the current light levels on the property's lighting using existing poles and locations. WLS Lighting stepped in to achieve our client's goals and create a value engineered lighting site plan and proposal for all new LED site, wall pack, canopy, and flood lighting.
