

LED UPGRADE

PARKWAY CENTRAL

ARLINGTON, TX

OVERVIEW

Parkway Central Shopping Center is located in the North Arlington area and is anchored by the premier grocer Whole Foods. In 2018, Parkway Central Shopping Center was due for an upgrade to LED lighting. The client's goal was to increase the current light levels on the property's exterior site lighting using existing poles and locations. WLS Lighting stepped in to achieve our client's goals and create a value engineered lighting site plan and proposal for all new LED site and wall pack lighting.
