

LED UPGRADE

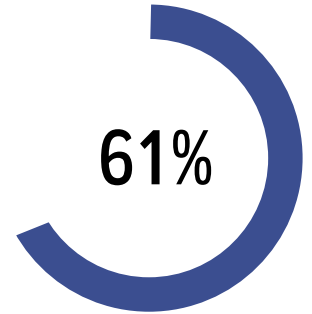

SPROUTS CROSSING

HURST, TX

OVERVIEW

Sprouts Crossing Shopping Center is located in Hurst, Texas and is anchored by the premier natural grocer Sprouts Farmers Market.

In 2019, Sprouts Crossing Hurst was due for an upgrade to LED lighting. The current HID lighting did not live up to the center's new renovation standards. The client's goal was to increase the current light levels on the property's exterior site and wall pack lighting using existing poles and locations. WLS Lighting stepped in to achieve our client's goals and create a value engineered lighting site plan and proposal for all new LED site and wall pack lighting.
